“ *Curtis & Family,*

We got a call from Florida today on another person @ Pierce funeral home and was shocked to see Ruth's name listed for last week. We are so sorry we did not know of her passing. She was a beautiful person with a most loving and gracious personality. The four of us used to sit outside for hours over a period of months @ Manor Care in the summer and early fall days when my Mother was there. We talked and spent time together laughing and sharing, and passing the time with others.

We are truly sorry for your loss but we know she has been through so much and now God has called her home and restored her to health and peace. May you find comfort in the arms of God to help you through this time of parting. He has promised He will never leave nor forsake us.

In Christ,

“ *To the Family,*

I have known Ruth since the first day she came to Manor Care. What a character. She became my favorite quickly. We had many chats on my every Monday night visits and I always enjoyed her and her many stories about her family and life. She loved her family very much and I got to meet some of them. I will really miss her but I do know she is no longer hurting and is walking tall with God.

Love to the family,

Gwen
