“ *Every night I lie awake praying that in the morning I will wake up from this horrible dream to find you nestled safely in your nook. I cannot imagine life without you-without your sense of humor, your caring nature, the random facts you loved to share, your bubbly personality, your unmatched beauty, and above all, your unconditional love. I will cherish all of our memories till the day we meet again.*

*I love you Sally!*

Hi Shawn.. my name is Jeremiah walker(Jerry). Me and Sally go way  
back and she was my first friend and the first girl I saw my first day at  
Parkside middle school that ended up my gf.. lol when I moved to  
Manassas. We got spilt up in different high schools but when we saw  
each other it was like we never split up. We've stayed in touch all these  
yrs off and on while I moved back home to Pittsburgh and it always  
was just right when we talked. I haven't heard from her in a couple yrs  
and decided to Google her and see how to get ahold of her? Never in a  
million yrs would I have guessed what Google would bring up?? I'm  
heart broken to hear the news and she was and will always be special  
to me/all of us. If there is anyway we could talk I'd appreciate it. Again  
I'm sorry for the loss and she was an awesome soul from the first time I  
laid eyes on her. Rip Sally Adelle, I'll never forget ya.. "level 6"

*I remember you! I remember your "PA talk" - just joshing, pop etc. I am Carly, Sally's next oldest sister. Thank you so much for reaching out. It's nice to hear of all the lives she positively impacted. If only she could have realized just how special she was. Thank you again for your kinda words and memories of Sally.*
