“ *Amanda and Sammy, your Dad with out a doubt loved you both very much. He holds a place in your heart no one else can fill. That is the way it's supposed to be. Now fill that space with the happiness and joy you were allowed to experience with him. Always knowing that he is still with you in your heart. Love you, Auntie Peggie*

“ *Amanda and Sammy when your heart feels so broken and you can't imagine that it will ever feel right just always remember your Dad's smiles and laughter right to the end and know he felt that the two of you were everything good in his life and that he couldn't help but smile anytime your names were mentioned.
