“ My sincere condolences go out to all of Gene’s family and friends. He and I attended middle school together in the mid 80’s. I didn’t see Gene again for about 15 years when we ran into each other at the Manassas DMV. We had a big laugh that day over a prank he pulled when were kids. May he rest in peace.

When I first met Gene and family, he was 5 years old. They bought the home I was born in, which was my grandparents home on a dirt road which is still dirt. We considered him and family our extended family always. He was a kind and giving, always ready to lend a hand to anyone that needed and he would see you doing something and would offer his help! He will be missed by so many! My heart goes out to his family ❤️ until...
