“ Dear Ceccarelli Family,

We are sorry to hear of the loss of one of our former, retired bus drivers Sandra, or Sandy Ceccarelli, as we knew her. She always worked great with the students, and had that special smile on her face. My mother used to work with Donnie senior at Montgomery Wards and Battlefield Ford. I was on the same baseball team as Donnie junior. It's a small world, and Sandy and Donnie were positive, heartfelt, and memorable building blocks of our community. You will be missed.

Condolences,

“Sandy and Chick were like an extra set of parents to me. We were neighbors in Manassas forever. My best memories were of helping in the yard, and parties they would have. She taught me all the card games. Well there were just so many Wonderful memories..we went fishing, she took me to the ocean condo that her and Chick had, she was there for me when my mom Elsie died and was a big part of my wedding plans and step in where a mother's help would have been in such a huge event in ones life. We had many crab feast and back yard volley ball games. Sandy was always there for me to listen too, a shoulder to cry on, a safe place to have to hang out. She was just this happy amazing woman and I'm so grateful to God to have had her to be in my life from birth. I know God has welcomed her with open arms and my mom will be happy to see her and I imagine that my mom, Chick and Sandy having good laughs just has they shared as neighbors. Maybe even glass of wine. We were all so close (family) that a gate was put up in our fence to allow for us to have an easy way to each other's homes. When my mom remarried and moved from Manassas a padlock was placed on that gate. I have so many wonderful memories. I'm very sad to loose Sandy, but find comfort that she is with the Lord. Prayers, Love and hugs to the family now and always. Trish (Kipps) Utz and John, Eli and Izzy Utz
