“ *I first met sandy when I was just 7 or 8 years old she was a true soldier of the Lord, she was always there to lend an ear, she was my leader thru sunbeams and during the time I attended fairfax corps when I became a girl guard there she was my leader again, we connected at different times thru my teen years, she will always hold a place in my heart and in my thoughts I will miss her terribly. RIP momma sandy, love you.*

“ I am saddened to hear of Sandy's death. She was one of the first people I met when I came to the Fairfax Corps. I have many happy memories of her and Home League.

“ Sandy and her family were wonderful soldiers at the old Fairfax Corp back in the 70's. She was a special friend to our family along with her husband Ed. Will never forget her jolly disposition, always smiling and having fun. We had great times together. I will miss her even though I haven't seen her in many years. God bless her children who will miss her most. Please know you are in my prayers. Love to you all! Patricia Olson Kitchen. Michelle and Bruce too.

“ I had the amazing privilege of meeting Sandy at the wedding of her grandson Matthew last year. I feel blessed to have had that opportunity and the family is blessed to have had such a wonderful woman in their lives. Thoughts and prayers are with the family.

“ My mom was Promoted To Glory after over 50 years as a faithful Salvation Army soldier. She was the Home League Secretary, Sunday School teacher, van driver, Youth Leader, van driver for the Christmas bell~ringers, and an awesome volunteer ready and willing to do whatever the Commanding Officers asked of her! Well done faithful soldier! You lived your life for Christ and now it is time to enjoy all your rewards in Heaven!
I will miss you mom every minute of everyday and I know I will see you again in eternity!

I'm so sorry to her about your loss. Sandy was the most giving woman. I was a poor little kid she used to pick up in that Salvation Army Van. I think the only reason I got on that van was because I knew Sandy would be driving it! She had a way of making you feel special! Making you forget about things that weren't so good. During the summer she would take us to the pool to go swimming... without her I never would have gotten into a bathing suit..lol I probably would have never gone to a pool or gone roller skating. I just remember hugging her was like hugging my mom. She will certainly leave a huge void in the world but I know she is blessed to be in the house of the Lord!! I hope Sandy knew that she had an impact on many lives. Although I hadn't seen Sandy in years I want her Family to know as I'm sure you do, your mom was a special person.
My sincere condolences. Nora(Harrak)Boykin

I have so many memories of Sandy and fun-times with her at the Fairfax Corps. She had the most wonderful smile and radiated a love of life. While our Home League Secretary (Ladies Group Leader), she was a great leader, always planning fun events and parties, and willingly driving us on road trips. She will be sorely missed! In addition, Sandy introduced Ed to Tom and I, and Ed became our plumber, so as I walk through my house I can still picture him installing our appliances when we renovated our kitchen, and our fixtures when we renovated our bathroom. Plus the many times he had to crawl under our kitchen sink to work on those old pipes!! Another person who was dear to us, and is missed. But we can trust that they are together in God's Kingdom today, and Sandy is still smiling her beautiful smile!

“ *Grandma was the most amazing, generous, sweet, caring person I know. She accepted me as her granddaughter when we moved in next door to her when I was 14. Although the time between then and now is not as long as I would have liked it to be, she has left the most lasting impression on me and my life. She loved everyone and always saw the good in them. I will never forget when I surprised her with taking her to see Rascal Flatts for her birthday. I have never seen anyone so excited or happy in their life. She will be greatly missed, but never, ever forgotten. I love you, Grandma!*
