

## Sandra "Sandy" Jane Molyneux

March 16, 1958 - February 9, 2014

SANDRA (SANDY) JANE MOLYNEUX, age 55, passed away on Sunday, February 9, 2014 at her home in Bristow, VA surrounded by family.

Sandy was born March 16, 1958 in Fauquier County, VA to Stanley Ray and Shirley Ann (Fitzgerald) Collins. Before she had children, she spent several years traveling and working around the world. The thing she enjoyed most in life was spending time with her grandson Gage. She took advantage of every opportunity to spoil him, and loved every minute of it. She was a very devoted mother and thankful to have her family back together under one roof for this past year. She loved to work and shop. She was always tracking down the best deals at places like Bath & Body Works and Yankee Candle. It's amazing how good her figure always looked when she lived on Diet Coke and donuts.

Sandy is survived by her two daughters, Stephanie and Megan Molyneux and her significant other Gary Peterson; her grandson, Gage Peterson; her parents, Stanley and Shirley Collins; and her sister, Cindy Ashbrook and husband Charles Campbell.

The family will receive friends on Wednesday, February 12, 2014 from 6:00 pm until 8:00 pm at Pierce Funeral Home located at 9609 Center Street, Manassas, VA. Donations can be made to The American Cancer Society, 124 Park St SE, Vienna, VA 22180 in loving memory of Sandra J. Molyneux.

“ My name is Carroll from Tampa Florida & I have been searching for a Sandy M. who was part of my wedding in 1982. She was a very sweet & kind natured friend & a fabulous photographer & took my official black/white wedding portrait for the Tampa Tribune. wedding announcements. She had worked for The Apartment Guide in Greater Tampa Bay Area as a photographer. She told me she was leaving in day or so for The Peace Corps. We lost touch at that point & I have tried for years & years to find her. I read in one posting that she travelled the world & thought that I could reach out to see if this is the Sandy I have been searching for. Some people make a lasting impression as did the Sandy I've been searching for. I due hope that some one- family or friends could reach out to me. I am thanking you in advance. *Words can never describe how much I loved Sandy and how much I miss her. She and I were close as we grew up together, only one year apart in age. There are so many fond memories that I have of my sister from the time we were wee little girls playing together. Sandy loved her family so very much and was always there to help family and friends when there when needed. When I found out I had blood cancer and needed a stem cell transplant, she was so worried and there if needed. I talked to her every day which meant the world to me. We would have never guessed that she would found out she had cancer in the fall. I hated to see her in so much pain at the very end and I know she is in a better place today, heaven, and I'm sure she is one of God's angel watching over us.*

“ *Sandy was my 1st neighborhood friend when we were little girls. We lost touch over the years, but enjoyed our times when our paths would cross later in life. I have fond memories of walking to the neighborhood store in Brentsville and collecting bottles for deposit money to buy candy at the store. We went to church together at Brentsville Presbyterian Church. I treasure the memories we made together. Her laugh was contagious too - we laughed a lot. My deepest sympathy to her family.*

“ *Many years ago you would usually find me at Sandy 's house on a weekend, for a sleepover. We had wonderful times together and I will always treasure those days. Sandy's parents & her sister Cindy always made me feel welcome and loved. My heart goes out to her family and you are in my prayers.*

“ *Sandy will be tremendously missed! She was the very first person to welcome the kids and I to the neighborhood and it was always nice to have our early morning or late afternoon chats whether we were both coming or going. My prayers and thoughts are with her family. While we will all miss her tremendously, we know that she is pain free and will never be forgotten. Heaven has gained another angel.*

“ Marc and I moved to the neighborhood three years ago and Sandy was the first person to befriend and welcome us. I thoroughly enjoyed our talks and laughter. She was always so very gracious and thoughtful in offering her help whenever we took short trips out of town. I will sorely miss her. Our deepest heart felt sympathy and condolences to her entire family. May God surround you all with love and strength during this time. Sandy is free of pain and with our Heavenly Father but she will always be with you in your hearts as long as you remember. May you rest in peace, my beautiful friend.
