

Scott Turner Crow

June 6, 1955 - January 13, 2026

Scott Turner Crow, 70, of Manassas, Virginia departed his life on this earth on Tuesday, January 13, 2026.

He was the son of Nevia Ellen Turner Crow and the late Albert Lee Crow, born on June 6, 1955 in Norfolk, Virginia.

In 1961, the Crow family of three relocated to Manassas, Virginia, where Scott was a standout student and athlete at Osbourn High School. He graduated from there in 1973.

He attended Randolph Macon College in Ashland, Virginia where he was a four-year starter on the Yellow Jacket Football team. He graduated with a Bachelor of Arts in 1977 and began his career as a high school educator and coach, following in his father's footsteps. His son Matthew carries on that tradition today.

He resided in Texas for many years where he was blessed with two sons, Matthew and Joshua. This is also where he met his beloved wife Sandy.

Shortly after their marriage in 1992, they came back "home" to Manassas and made it their permanent home, where they worked together at Osbourn Park High School.

Scott was loved by students and staff alike, always being referred to as gentle, patient, kind, and always willing to lend a hand no matter the task. The students always lovingly referred to him as Coach. He personified “Once a Jacket, Always a Jacket” as he, himself, was a Yellow Jacket in high school, college, and as an educator and coach.

After retirement in 2016, he and Sandy enjoyed their time together taking numerous cruises; traveling throughout the surrounding area; attending Trinity Episcopal Church; creating new recipes together; enjoying their precious granddaughter, Collins; and rescuing numerous cats over the years. In retirement, Scott continued to be an educator of life drawing on his deep faith to selflessly counsel and support friends and family alike.

He is survived by his loving mother Nevia Crow; his wife of 33 years, Sandy; his sons Matthew (Alyssa) Crow, and Joshua Crow; his granddaughter Collins; and numerous loving aunts, uncles, cousins, and in-laws. He was preceded in death by his father, Al, in 2019.

As he requested, there will not be a funeral service. A celebration of his amazing life will be held at a later date.

If Scott could leave you all with one final request, it would be to treat every individual you encounter in your daily lives with the kindness and respect that we all deserve.

“ I was a classmate of Scott’s at RMC and shared some education classes with him as we both were planning careers as educators. I remember him as a popular athlete respected for his success on the football field, a genuine friend to many, and a polite, kind gentleman to all others who crossed paths with him on campus. Praise to Scott for bringing his calm demeanor, quiet humor, and passion for helping young people navigate good choices in the classroom and in life. Schools and communities and parents are grateful for such gifted men! As the poet says, “Let us not weep at the grave”- for Scott let us remember him every time we find ourselves watching, reading about or trying to participate in or coach football, every time we are aware of educators giving their time to make a difference, every time a friend shares some time, and every time a family honors the legacy a loved one builds and passes on. Prayers lifted to the family members and community at large 🙏

“Sandy and (if I may) Nevia,
Words cannot describe how I felt when I saw Scott's obituary. I had the honor of working with both Scott and his father during my years teaching at Osbourn Park. I never heard either of them raise his voice. The world is a sadder place with his passing. He was a true gentle giant like his father. As noted in the obituary, he was always a Yellow Jacket -- high school, college, and professional life.

“I only knew Mr. Crow as a substitute teacher at Potomac Senior HS. However, he spoke with me like we knew each other for years. I enjoyed talking with him about some things and about nothing. Just being around him was a joy. He will be missed.

Mark W. - January 20 at 11:29 AM

Thank you, Mark. This message, of all I have read, resonates the character of my husband. He so enjoyed subbing for his son at Potomac. Thank you SO MUCH for reaching out. My heart is happy ❤️

“ Coach Crow was a great coach and an even better mentor. He helped me out of a bind a time or two, and that’s something I’ll always be grateful for. He always made a point to call you out if he saw you in the hallway — you never went unnoticed around him.

My son started playing football this past year, and it brought me right down memory lane. The smell of freshly cut grass, seeing Coach Crow out on the mower cutting the field in the hot August sun, and having him zip footballs at you underhand during practice. I’ve tried many times this season to throw that same underhand spiral like he did, with that zip and accuracy — and I still can’t quite get it down.

Mrs. Crow and family, I am so sorry for your loss. Please know that he left a lasting impact on so many of us, and his influence will always be a part of our lives.
