“ I remember meeting Scott early on in my career, when I first started in real estate. Super nice guy, always had good stories, and really well liked teacher at Parkside school. He gave me a chance when I was new in the business. I worked with him and his wife Beverly to sell their townhome and purchase a great home in Manassas City. Over the years he would come to our holiday events at Thanksgiving and Christmas and it was always fun talking to him. He loved his wife and kids and always had great stories to tell. Just a fun guy to be around. Scott we will all miss you and wish ALL of YOUR FAMILY the BEST!

“ Scott has been part of my family since I was a young boy. He had a contagious sense of humor and always wanted to know what the latest was in my life. He was always proud of his cars and took great care of them and would boast about how many hundreds of thousands of miles he had on any one at the time and would drive them until the wheels fell off! Mostly, I remember that he was always interested in hearing about others rather than spending time talking about himself. I love you and will miss you Scott. Joan and I are heartbroken for Bev, Mike, Steph and the grand kids. We send you all our love and wish we could be there for you.

Love,

“ I first met Scott at Youth for Tomorrow where my son was a resident some 30 years ago. We lost touch but met up again two years ago. It was like we had not missed a day. He was the same smiling easy going person. Scott worked for CARQUEST and I worked for NAPA. We would joke about the competition Most of all we shared our Christian faith; praying for each other and our concerns. I am sure he was greeted in heaven by Jesus saying WELL DONE GOOD AND FAITHFUL SERVANT.

Heaven help you if you did something not just right, he'd never let you forget it. " In a fun manner". Scott just to let you know, we will always remember you and love you. Craig and Shelly Drebing

“ Scott King was a good friend He was with me since 2013, It was such a great honor to get to know him. He would teach us new things everyday. Never met a person such caring and loving, he would do anything to help you. When I read the book written by Dr. Thomas J Stanley, It was like reading about my friend Scott and how he lived his life. He would bring me newspaper articles to keep me informed on our sports teams and the stock market. We are going to dearly miss the banana and pumpkin bread that he would bring for us. If we ended up in the hospital or had some sort of tragedy he would be the first one to bring you a get well card. This year I had asked Scott if it was possible to get a signed football by Joe Gibbs since he knew him well, Scott completely went out his way to get me an autographed football by Joe Gibbs. My job could be stressful at times whenever Scott was here at work he would check on me to see how my day was going, I could reach out to him for advice or if I just wanted to talk. Scott we are going to miss you very much, Carquest Manassas will never be the same without you we have lost a great person. Much respect sir love you friend and God Bless.

“ I met Scott last year, in the little time that i knew him, we bonded alot and we shared alot with each other. Both of us are avid sports fans and we would talk about JMU and Hokie football. He would ask how i was doing and give me advice at work, helping out as much as he could. I will cherish the time we spent together and know you're in a better place now, Scott. Thank you for everything.
