“ I had the great opportunity to work with Wayne at the Pentagon a year or so back. He was very driven and a pleasure to work with. He always had a glass half full approach A very cordial and professional man. He will be remembered.

“ Warm regards and deepest Sympathies. Wayne was a joy to be around, and working with him was a pleasure. ~Worked with him for about 6 months when the Pentagon was just starting it's NCMI. Wayne really knew how to keep everyone going and keep everyone's spirits up. Keep in mind the words of Matthew (5.1-12)

“ Warm regards and deepest sympathies. Never met Wayne in person but attended several hundred conference calls with him. Wayne always seemed to have unique way about himself and I always smiled when he was online. Working with him at EDS on the nmci account was a pleasure.

“ Dear Dumais Family,
I am sorry for your loss. Wayne will be missed because of his good work ethic, integrity, and can do attitude in the face of many challenges on the Navy Marine Corps Intranet project over the years.
I hope that remembering you were tied to a great man and had many good years for his legacy to affect you will bring a little comfort and happiness.
I am praying for the Lord to comfort you during this time of loss.
God Bless you,
