“ for my bestest friend g to the mother, shahnaz
the years have passed, yet love remains,
a gentle light through all my pain.
your voice, your smile, your caring ways,
still guide me through my hardest days.
when life feels heavy, cold, or long,
I hear your strength it keeps me strong.
though I can't hold your hand tonight,
your memory is my guiding light.
I'll carry you in all I do,
the best of me still comes from you.
and on this day, I'll say it clear,
I miss you more with every year.
forever loved, forever near,
happy birthday, Grandma wish you were here.

*you weren't just my grandma, you were my best friend. Thank you
for being my safe place and my everything. I'll love you forever.*
