Shane was the kind of person that you only meet once or twice in a lifetime. We worked together for 10 years, and our friendship has stood the test of time. Our escapades are both numerous and possibly scandalous but nevertheless the fun and memories we created with each other could fill lifetimes of those more simple.

I am saddened by his passing but find myself both laughing and crying remembering our time spent together

“ I met Shane while we both were working at Dudley Martin Chevrolet , I found him to be a happy guy and always carried himself in friendly easy going manor.
We continued our friendship for several years after we both departed Dudley.
I am very sad to hear Shane has passed, he will be missed by many many people.
RIP my friend.
