August 27, 1977 - November 11, 2017

Shannon Eileen Gross, 40, Chantilly, Virginia, died at 1:39 PM, Saturday, November 11, 2017. Shannon was born in Olympia, Washington on August 27, 1977 (but her dad always thought her birthday was on the 28th of August – it was their private little joke.) She served 8 years in the Air Force as a Linguist. She obtained a Bachelor of Science in Criminal Justice before being honorably discharged from the Air Force. She began her professional career with the National Security Agency before moving on to a distinguished career as an Analyst with the Federal Bureau of Investigation.

Shannon is survived by husband John and son Joseph; mother, Rebecca Olene; father and step-mother, Steve and Shelly Asbill; paternal grandmother, Martha Asbill; brother, Daniel Asbill; sister, Tera Horsman; step-brother, Wayne Mosley and wife Lucinda; step-sister, Brooke Dodson; nephews and nieces: Anthony Asbill, Wade Asbill, Karody Horsman, Kyler Horsman, Erin Mosley, Nathan Mosley, Madison Dodson, and Kaleb Dodson; many uncles, aunts, cousins and friends that she loved and were very dear to her heart. She is preceded in death by her step-mother, Marlene Asbill; paternal grandfather, Kenneth Asbill, Sr. and her maternal grandparents.

A Celebration of Life service will be held at 10:00 AM on Thursday, November 16 at Pierce Funeral Home, 9609 Center Street, Manassas, Virginia.

She had a smile for everyone, a heart as pure as gold; to those who knew and loved her, her memory will never grow old. Loving and kind in all her ways, upright and just to the end of her days, sincere and true, in her heart and mind, beautiful memories she left behind.

“ Since the one year of her death is coming up, I thought I would visit this site and share. I loved my mom, she was the greatest person on the face of the Earth, I still do love her very much and wish to see her again someday. In the mean time, I am living with my dad and things are going smoothly for the most part. I have a poster filled with pictures and statements about my mom that I take out and look at every once and a while. I want to close this by telling whoever is reading this, do not take love for granted, because once its gone, its gone, and its not coming back.

Dear Joseph-

Your mom loved you more than words can describe, and her love will never leave you. Love is never gone and is not bound by anything, even the distance between heaven and earth. She's always with you, guiding, protecting, and loving you. You will see her again. In the meantime, honor her by living the life she would want you to live.

Below are all the things your mom posted to me about you during the brief time and contact we had after reconnecting on facebook. I hope you'll feel her love through her words. (She also sent me many pictures of you, but I'm not able to post them here.) Please, always remember that she loved your smile, and she'll be watching for it from heaven.

I will continue to pray for you, your father, your family, and your mother always.

-Joseph is my number 1.

-Joseph is amazing and so damn smart...now to brag...he got into the gifted program.

-I smile at my son every day.

-Joseph is my little genius. Made the finals in the Geography Bee.

-Oh, Joseph loves basketball and is good on defense. Bought him clothes that I thought would last until spring...WRONG!!! My son will be in adult pants by spring!! He is still my baby though.

-You know what the best sound in the world is? Your kid's laughter. When I hear him in his room or the family room laughing, I always smile.

-Gonna brag a bit...Joseph got 3rd in the Geography Bee at his school!!!

-I am making a cake for Joseph when he comes home tomorrow as a congrats for Pinewood Derby.

-Gotta brag on Joseph...he got placed in all honors classes for 6th grade!!!

-My baby is 11!

-Can't wait to have Joseph home on Saturday. Then counting down to NY. Our first thing is seeing Ground Zero then walking the Brooklyn Bridge Saturday...Liberty Island, Times Square at night and Little Italy. Oh and he wants to do the Empire State building.

-He is my Bug. I never knew this kind of love was possible until him.

-I have Joseph and I am thankful every day for him.

-I have a very special little boy.

-I wouldn't trade him for anything in the world.

-He is amazing.
