“ Renee and Lisa, I was shocked and saddened to hear about your mom. Her smile, her sense of humor, her gentle demeanor touched the lives of many at Park View. She was always concerned about everyone, and I loved talking with her. know you will miss her. Please give my best to your dad.

“ Mrs. B was my teacher at Park View High School. She helped me through a lot of difficult times. She is a wonderful woman. Although I havent seen her in many years I can still remember her sweet voice and bubbly personality. I am truly sorry to hear of your loss.

“ Truly, I don't even know where to begin. Sharon was so very loved by our office. It was a great shock when we were informed of her passing. I will always remember her positive outlook on life. There were times when I was having down times and she could look at me and know; even though she was coming to me for a service she still was there to listen if I needed her. Everytime People ask why I love my job my answer is always because I see what true love really is. Sharon and Buzz were the example I always used. She once gave me an angel lapel pin and said that it was because I was her angel when in reality that was what she was to me. I will miss her very much!
