“ Rest in peace my dear friend. You will always be in our hearts. Sharon- I will miss our chats because you always made me laugh; I will miss hearing about your annual trips to visit family because you remind me of what is most precious; I will miss your cheerful spirit- especially around the Holidays as you decorated our Office spaces with Christmas joy (ensuring we win first place)... not only because we were competitive but because you always ‘go big or go home’ - and for a little lady (someone finally shorter than me), you always had the biggest heart. I am so glad we met...
