Sharon, you will be greatly missed. We've been friends for ages. I remember riding the bus home from school with you to go to your house every day after school. We had some great time together, especially in our younger days. You've had a hard struggle, and we know how hard you fought, so now may you Rest In Peace my friend. You will be greatly missed.

“ Prayers of comfort going out and up in the loss of one so dear. Sharon was my friend for a long time. She was someone you didn't mind bumping into somewhere. We shared the same first name and would often to each other as salt and pepper. I always looked forward our catch-up conversations because they would erupt into a laugh fest. Sharon would say to me I'm so glad I got to see you today. She gave her cancer a good run. I will miss you my friend and I will think of you often and smile. You are only gone from my sight but never from my heart.
