“ I just this year learned that Shayne is no longer with us. Shayne was a special friend to me from the time we were little kids until we lost touch as young adults. I'm saddened to hear he's gone. He was such a nice person.

I met Shane and Stephanie about 3 years ago and I was feeling in for their daycare provider and I watched Tristan Stephanie was caring Teigen. I always enjoyed talkin with Shane when he picked up Tristan at the end of the day he was so easy to talk to you in so kind I could see the love in his eye for his son he was the kind of man that left a lasting impression on you. I will always remember you Shayne, and will always be happy that I got to know you for such a short time you will always be in my thoughts and in my heart.
