“ Dear family of Sherm---I just recently learned of Sherm"s passing. I am so sorry. I remember the summer you took me and Frank under you wings. Thank you so very much. It was a kind, thoughtful way to keep family "in-touch". The older I get, the more important family becomes. I thank yoi, again, and wish you peace and comfort.

“ Mrs. Jones and Family, my deepest sympathy to you. It was such a pleasure to have had the chance to care for Mr. Jones at Prince William Cardiology while I was a nurse there. I will always remember our little talks during his INR checks. Many prayers for you.
