May 10, 1961 - September 16, 2023

Sherry Lynn Brown was born in Annapolis, Maryland on Wednesday, May 10, 1961 to James Edward and Ursula Deane Brown. She was an avid Bible student. From a young age she taught from the Bible that God's name is Jehovah and his purpose to make earth a paradise will be accomplished. She symbolized her dedication to Jehovah on September 9, 1975. She had the privilege to attend a Special Convention in Port-Au-Prince, Haiti in 1985. She also attended four International Conventions in Kiev, Ukraine (1993 where over 7,000 were baptized), Rome 2009, Washington D.C. 2014, and Lisbon 2019. There she was able to see true love and unity in action among Jehovah's people! She was also privileged to serve in the ministry in Kentucky and Pennsylvania with friend from her hometown congregation in Annapolis. After she retired, she had the privilege to join the pioneer ranks during the Covid-19 lockdown.

She is survived by her siblings: Stephanie Dickey of Detroit, Stacy Alvarado of Manassas, Virginia, James Brown, III of West Palm Beach, Florida, and Jessica Miscione of Sierra Vista, Arizona.

From her study of the Bible, she looked forward to the time when those asleep in death would be resurrected and she would have the opportunity to ride on the back of an elephant along Victoria Falls! Her wish is that you will be there to welcome her back!!
