“ I was Sherry's IT guy at UTC. She was like a sister to me. She would always give me the most wonderful smiles and words no matter how bad her computer problems or days were. I love her dearly cause she was there for me when I went through my knee surgery. You all have the most wonderful daughter, sister, and best friend ever. It was a great honor knowing and working with her. May GOD BLESS you all.

“ Sherry was a very dear friend whom we both worked with. She saved me millions of times during her tenure on the SFRC. Darryl and I both realized what a great, go getter she was, and the way she handled the past 3 years reinforced that. She was very special and a true inspiration. We will miss her very much.
