“Sandy, we are deeply sorry about the loss of your mother. I know that your heart must be filled with sadness during this difficult time. No one can replace your mother, but God can comfort your heart.

I will never forget when I came to your home for a weekend visit during college... Your mother was so kind and generous. She made me feel special.

Wishing you and your family peace to bring you comfort, courage to face the days ahead and loving memories to forever hold in your hearts.

“ Shirley was such a wonderful person with such a giving heart. I so enjoyed the time I got to spend with her when I took my grandmother (Alice Cross) to visit her. She was thoughtful and caring and always made you feel at home. She was such an awesome lady and will be greatly missed by all. My thoughts and prayers are with all her family during this time of grief.
