“ *John & children: I don't know if you remember me, but we lived in Shirley Duke Apts. together. Shirley was a God send to me when I had the twins and a 3 year old. She always invited me in to visit. I was lonely and had no one to talk to. We visited you once or twice in Manassas. We go to Our Lady of Angels Church. Rick and I will remember Shirley and you all in our prayers. Again, our deepest sympathy.*

“ *My heart felt sympathy for the Eberlein family and all those who knew and now grieve for Shirley. She was a kind-hearted woman who loved her family. She was thoughtful and concerned. She was a devoted mother and wife. She was a terrific friend who would stand beside you in adversity.*

*I have many fond memories-visiting over coffee, clipping the dog, family dinners at Thanksgiving and Christmas. Thank you for sharing your wife/mother/ friend with me. She will be missed by many, not least of all by me.*

“ I will always remember Shirley and the visits that I had to Va with Jim & I on our honeymoon, family vacations and when it was just Mom and I. She was an inspiration to me! I will miss her very much she was loved by all that knew her and especially her family. May God be with you Shirley now and forever. Your Sister-in-law Kathy

“ There are no words to describe what a wonderful woman my grandma was. She was and still is the purest of angels. Everyday I will see something that reminds me of her; a brush, a can of "hors-de-ores" (one time she said where are the hors-de-orves meaning to say horderves), the movie Wizard of Oz, plastic on her couches, pizza hut. She loved her dog Nitzer so much. I miss her so much. I love you Grandma and miss you everyday.
