“ A letter to My Mother-

Mom, if only I could turn back the clock and be able to give you one more hug and to tell you how very much I love you.

To be able to Thank you for your wisdom and patience, to tell you I know the worries you took on as my Mother, and wish I could make up for my lack of gratitude. Thank You for always being supportive, for always being there to pick me back up when life sometimes got a little hard. Thank you for all that you gave, because I know you gave everything that you could.

Most of all, Thank you for all the love you shared and Mom, Thank you for being my friend!

“ Grandma,

Every moment of the last few days have hung in the air with an emptiness and sadness. There is an ache in my heart that you are not here. I know that you are safe and in God's loving care, but how I wish you were here - for me to hug, to hear your voice or laugh at the silly stories we all know so well. I will forever hold you in my heart and in every memory.

I pray that you will spread your wings and fly, my angel, rest well until we meet again.

Forever your granddaughter. I love you!
