“ Sandy and family, My family (Dawson's) I believe have lost in touch with you over the years since Bethel #11 days when my sisters were and I was "little Terry." I am sorry to hear of your mom's passing. May Shirley rest peacefully and you find comfort in the days, weeks, months and years ahead. Remember grief is natural, normal and necessary process. Let your body guide you.

“ To Shirley's family and friends, my condolences. Even though she lived a good long life there is more life in Shirley's future. Whether she goes to heaven to reign with Jesus or whether she is one of the "meek" Jesus said would inherit the earth, Shirley will live again. I pray you take comfort from these scriptural thoughts.
