“ Shirley and I shared a special love of Leprechauns and always made sure we remembered St. Patrick's Day. And I take refuge in knowing that God is holding her in the palm of His hand.

“ I was blessed to work with Shirley. She was a wonderful person and a special teacher. Shirley requested to have students with unique personalities who struggled to fit the structure of school in her classroom, and she worked wonders with all students. She always saw only the best in every student. During the years that we worked together, Shirley mentored several other teachers and I witnessed Shirley's positive leadership and impact. She was always interested in learning and was willing to do whatever was necessary to provide the best classroom environment for students. I truly appreciated her dedication to children and learning, her honesty and professionalism in sharing her opinions, and her cute personality and witty sense of humor. I know how much she sincerely loved her family, and I extend my deepest sympathy to them in this difficult time. I will continue to think of Shirley often and always with a smile, as she has left me with so many positive memories.
