“ *It's been a week and the sun is finally shining. I know you are at peace so I try not to cry. We miss you so much and have so many great memories. You tried your best to take care of your entire family and I am forever grateful! You were there for me and my kids when I wasn't at my best and never judged. I hope I can be half of the woman you was. Love you mommy forever and ever and thank you for loving me*

Yes Joey she did love all 5 of us especially Kenny and Billy because like most boys they gave mommy a hard time. So your mom was a peacemaker. That's why she loved you and forgave you beacause you reminded her of her brothers and you turned to be a good father and a caring son
