“ I am very sorry to hear of Ms. Snaith's passing. She was a wonderful lady. Always so upbeat and positive. She made everyone around her smile.

I am so glad that I was able to go to Holocaust Museum with her. She shared some stories of her life and the effects that that terrible event had on her. It gave me a new prospective. She also gave me books to read which enlightened me on the tragedy. She was so passionate about it, "less we never forget".

She always talked about her children and her grandson. She loved them very much and was very proud of them.

My life is enriched by having known such a wonderful lady. I will never forget her. To me she will always be Ms. Rockefeller.

My prayers and thoughts are with the family. The pain of losing someone so special will require much time to heal and the comfort that can only come from the love of Jesus Christ himself. I encourage you to draw near to Him in this time of grieving.

Heaven must be celebrating, because they got a good one.
