“ I just learned of Stan's death. I knew him from eyeglass recycling at the Park West Lions club. He knew so much about the program and was such a dedicated Lion. I was proud to know him and he is missed.He has earned his eternal peace.

“ *Stn was always a kind and thoughtful person in both his personal and business life..(He offered a chance to others an opportunity to work; who otherwise might not be employed) He demonstrated patience and compassion...)*

and I will never forget how we first met, we bumped into one another or rather he bumped into my car.... and we've been friends (as well as neighbors) ever since!

*Stan, you will be greatly missed; but I know you are in the arms of God, Rest Easy Friend.....
with love,

Lion Stan was a Lions Lion. He was a mentor to many Lions in the Park West Lions Club as well as the district. He took great pleasure in host the many clubs working at the Park West Lions Building on recycling of eyeglasses. Lion Stan, rest in peace and GOD be with you and your family.
