“ *Pop-Pop,  
I will always remeber the time you took me, Lou, Jake, and Julia to go fishing at the beach in New Jersey. You watched over us as we played in the red sand of the beach and made us lunch. That is one of my favorite memories and I will keep it with me forever.*

*I miss you and will always keep you in my heart.*

“ Stanley Putkowski, You know I loved you. Thank you! I have wonderful memories of young student nurses sitting at your dining room table. Studying... Mrs.P feeding us, and you making sure we were studying. I thank you for the fire ext. it sits and has always sat at a fireplace. I thank you for my sewing basket you made. I love you and I know you were a hard working Dad, but I also know that you were so very proud of your children, and how wonderful they are, you should be so very proud. God Bless You Mr. Putkowski.
