“ Dear Uncle Jeff,
What a blessing that Aunt Stella is finally at peace and illness free. She was a very classy lady and someone I always admired. She will be missed by everyone. I know she's enjoying some of her favorite things in heaven; shopping and fine dining. God bless you and all your family.
I'm so glad that I got to see her this summer. I'm sorry we aren't able to get down to the funeral.
We will be making a donation to the Hospice in her name.
love and hugs,

“ *Jeff,*

I am so very sorry to hear about Stella. I have so many fond memories of both of you from my IBM days as well as visits to your home in Owens Woods when it was first developed. Stella was my inspiration to look forward to a career vs a job. I will never forget her or you for the kindness you both provided. As a new employee working in the 'typing pool' she provided her beautiful smile, advice, and most of all her attitude toward life. She was my mentor. I will truly miss her. To you and your family I send my sincere condolences and prayers. God Bless You!
