“ *The only reason we feel such profound loss is because we have such a profound blessing. How sad we are now but how lucky we were and how fortunate we are still to have all the stories and experience and memories we share. Let us find peace in the past to carry our hearts forward*

“ *R.I.P. Stephanie. I knew you for almost 17 amazing years and it feels like it was too short. I will always remember the fun times we all had at the bowling alley, when you used to work the Prince William Country Fair, taking you to the store late nights and to El Taco, but most of all always seeing and hugging you when I came back to visit. I will always remember you Stephanie and the amazing times we had. God bless*
