“ I'm very sorry to hear of the loss of Steve. I met Steve just about a year ago. He introduced me to the folks where he was working, and help to arrange an interview. It was a great first impression. Steve was friendly and sincere. I haven't seen him much since then, but I've thought about him often. I know that he will be sorely missed.

“ We are deeply saddened by the loss of our good friend and former coworker at Fischbach & Moore. Within a few conversations it was easy to realize this was a wonderful, personable and caring man who held nothing back. We will miss him dearly.

We love you Rooster!
