*Sending my heartfelt condolences to Steve's family especially to his beautiful wife and children. I had the pleasure of meeting Steve in LT when we were teenagers. You would never see him without his right hand Heath. Steve had the best sense of humor and was such a loyal and loving friend to all. I will always cherish my fond memories of him. He will be greatly missed by many but never forgotten by anyone who has the pleasure of knowing him! Sending hope that the family finds some comfort in their memories of him.*

“ One of my first memories of Steve is when he and KT came to pick up my daughter for prom - in a very very old limo - little did I know then how much that skinny kid would touch our family's life - always there to share and support us in special moments - especially for my grandkids -no matter what the setting or occasion he was always always himself - Earl and I will truly miss seeing him give that raised eyebrow look - rest in peace young man - rest in peace -

“ You must have been 5 or 6 years old when we couldn't find you anywhere. I can't recall the time of day, but the sun had set. The whole family was looking everywhere for you. I remember the emptiness of not having you in that moment. Well, we found you sleeping in the hall closet. The relief of knowing you were safe... I said that to say this. That momentary emptiness does not compare to the hole in my heart that I am feeling now, but at least I know where you are. Aunt Gwen
