“ Dear Steve,

*Today marks a year since you had to leave us. I shared some of you with the pond this evening! Your favorite place to fish. I hope you catch the bass of a lifetime! I am certain you and Doug have reunited and are laughing. I get through each day because I have to. My heart is broken, my tears still flow, and I miss you more with each day that passes. I love and miss you! Love always, Terry*

“ Dear Steve,  
We had a Celebration of your life on Saturday, September 4. It was a beautiful time and I am glad I chose that versus a funeral. We focused on your life and not the grief and sadness of losing you. Your memory table was full of hunting and fishing photos, your many keepsake urns, your "Chicken Alaska" hat, Storm, many of your favorite candies, a honey bun, pecan twirls, and favorite fast food wrappers. What you loved in life was well represented!  
Steve, I am forever grateful to you for sharing your life with me. I miss you so much. You were a wonderful man, full of humor, dependable, hard working, truthful, and everything in between. Our life together was simple and we loved each other and our families. I can never forget you! I look forward to reuniting with you and until then I will still miss you, remember the fun times and happy memories, and cry because of this hole in my life. I know you were tired and needed to go. I love you more than anything! Forever your,  
Terry

“ So many memories of Horn from growing up in Annandale to hunting, fishing, metal detecting, digging bottles in Alexandria, looking for arrowheads, auctions, sub sandwiches, card night, beer truck, just to name a few. He was a best friend, a great hunting partner, an all around terrific guy. We will miss him immensely. RB & Diane
