Just watched the service. Steve was our neighbor and friend in Manassas and stayed in touch over the years since we retired to Florida. Always proud of his kids. Steve was a genuine person who cared about everyone. He will be remembered. 💕🇺🇸

“ *Steve shared some of his Grandparents history with me. I grew up in Belvoir and went to Church where his Grandfather Hunt preached. We sent pictures and info back and forth to each other. Being Facebook friends you could tell how much he loved his family. Our deepest condolences to your family. Swanee and Sandi Bridgett*

“ Uncle Steve, you were the coolest guy I knew. You helped me fall in love with NASCAR and fast cars, especially Mustangs. I remember you taking me around when I came to visit in your 5.0 with your cigarette lit and sound of the exhaust as you shifted through the gears. Your love of the Civil War was also something special. You're going to be fiercely missed by so many. I hope you're resting peacefully Uncle Steve. Until we meet again.

“ You were the best example of a friend. You loved God, your country, your family and your friends. You were my "brother" at work, then supported me and my family in your thoughts and prayers. Weeks will never be the same without your phone calls. Thanks buddy!
