

Stephen Kwame Junior Owusu

April 30, 2011 - May 2, 2024

With a heavy heart we announce the passing of our beloved son, brother, nephew, cousin, grandson, and friend, Kwame, whose death occurred on May 2nd, 2024, at Prince William Hospital.

Kwame was born on April 30, 2011, in Ghana and moved with his family to the United States of America in 2019. He attended Mullen Elementary School in Manassas and continued to Bull Run Middle School where he finished his 6th grade education. He almost completed his 7th grade in a few weeks before he tragically passed away at the age of 13, 2 days after his 13th birthday. He was preceded in death by his mother Sharon Parker.

He was survived by his parent Stephen and Jackie Owusu, brother Jed Mills, sisters Angel and Sharon Owusu, grandmother Comfort, many cousins, uncles, and aunties.

He enjoyed spending time with his family, especially his sisters. He really loved seeing his whole family gatherings on July 4th and Thanksgivings. He loved playing games, and he conquered every game, from the intricate realms of Elden Ring to the competitive echelons of Apex Legends, always seeking the thrill of ranked matches where his skills truly shone. His future goal was to be a medical doctor.

Kwame has left a lot of broken hearts behind, but may he rest in perfect peace until we meet again.

“ *Sending love and light to Stephen's family and dear friends. The passing of this young man, soo breaks my heart. I never met Stephen in person, but he attended the same middle school and in the same grade as my son. My son shared with me that he sat with Stephen the day of his Birthday, April 30th at the school cafeteria. I acknowledge that we all have a place to go some day but for you, Stephen it was so soon. My heart arches. I see your picture, and I see a bright young man with a gentle soul. As a parent, I am sad and shaken and distorted, so I can only imagine what his immediate family and loved one would be going through. To Stephen's family and friends, I pray God's healing touch and comfort at this rough time. Stephen, Rest well in the bosom of your creator!!*

I was Stephen's 5th grade teacher. I'm so saddened by this news. Stephen was a gentle, kind, caring boy and a great student. I adored him and was lucky to have him in my class.
