“ Steve,

You are one of the kindest more generous people I have ever met. You have a heart of gold. You have been a friend, confidant, and partner for almost two decades, and our lives and families are firmly and forever intertwined.

The love and care you gave my mother in her final time with us is gratefully remembered for always.

As Godfather, your concern and care have always manifested themselves in a hundred ways.

May you rest in Peace with your Savior Jesus Christ.
