

Steven Lee Herren

January 30, 1992 - December 12, 2016

Steven Lee Herren, gentleman, philosopher, and total hunk, died in his home on Monday, December 12, 2016, at the age of twenty-four. Steven is survived by his parents, Sheri and Jeff Herren, his sister, Laura Herren, his stepparents, Richie Montgomery and Jackie Kirch, and his stepsister Allison Kirch. He was born in Washington, D.C., attended St. Mary's Catholic School, and graduated from West Potomac High School.

His first entrepreneurial efforts manifested as early as grade school, when he produced and sold illustrations to the highest bidders among his peers. He was a dedicated friend, giving a foot massage to his buddy with a broken leg, volunteering to protect his boys and take the fall when they were caught red-handed, and was always ready for an adventure. Steven studied the Tao, watched countless films, and played video games with a passion. He starred in his middle school musical, and then later completed the training regimen that prepares Navy Seal candidates for hell week. His specialty was A/V production, and he aspired to produce music. He will be remembered for many things, but especially for his cleverness, his loyalty, and his big heart.

A memorial service is scheduled for Monday, December 19, 2016, at 3:00pm Good Shepherd Catholic Church, 8710 Mount Vernon Hwy, Alexandria, VA 22309

A reception will follow at his parents' home. All are welcome to attend and celebrate Steven's life.
