“ *Your beautiful wedding day on the beach on Nantucket Island is one of my fondest memories! You were so happy and excited to have Tracy as your wife and begin your lives together. Your happy smile and laughter were unforgettable as you welcomed a small group of family and friends to join the celebration. The day was a perfect beginning for a perfect couple!*

Next was the unforgettable "Rock & Roll" weekend in a big red barn overlooking the Shenandoah River with views of the Blue Ridge Mountains! Many musicians shared their musical gifts that weekend. When you sat behind the drums to join the fun, your smile and laughter were contagious and your drumming style was amazing!! Your smile, your laughter, and your fun-loving personality! These are the things I will always remember about you! Along with your love of family, friends and all of your wonderful cats! You were the best son-in-law ever!!

Thanks for the memories Steven! I will miss you always!!

“ I was blessed to be on the same street as Steven, Tracey and Paul for many years, until I moved away four years ago. What a gift it has been to get to know them. Steven was always friendly, warm and light hearted. A fast and easy smile, a kind word, encouragement, sincerity. He embodied the whole package. A loving husband and step father, a good neighbor and an example of what it meant to be loyal, faithful, hard working and thoughtful of others around him. He was a consummate gentleman and a class act. I was blessed with knowing him and I'm thankful for that. My heart hurts knowing he's gone too soon and the hole that he leaves in the heart of his beloved wife, Tracey.
