“ Steve was a fighter to the end. He loved Natalie more than anything in this world. I pray she can find comfort in that. RIP Steve - you will be missed by all who knew you.

“ Steve was my first friend when my family moved to Loisdale Estates. I remember sitting in his basement, me thinking I knew how to play electric guitar, and him thinking he could sing..... we both did neither very well, but we had a blast any way! Steve was a great guy, and will be sorely missed. RIP my friend.

“ My condolences to Steve's family. Steve and I were friends for over fifty years. Always watched out for me like I was his little brother, taught me how to ride a bike, whistle and snap my fingers!!! We used to scavenge any old boxes or wood we could find to make "go carts", no wonder he turned out to be a racer! Love you Stevie...
