“ *I,m so sorry to hear about the passing of Steve. I have not seen him in 40some years but remember him as a happy outgoing boy. He and his sister, chandra, were cute and often played with our children in Maryland. Bob and Mary Ellen, my prayers go out to you, fondly,

“ Steve was a great friend in the truest meaning of the word. He has been my brother Ted's best friend for over 30 years - through good times and bad. Although I didn't get to know him nearly as closely as Ted, I knew that Steve was always there for him and they were close - just like brothers.

Steve was generous, kind and always helpful. He often helped out our parents with things around the house and gave of his time when asked. Steve was selfless. When Ted developed cancer and needed help from many - Steve was always there for him.

When Ted was recuperating, Steve was there to lend a hand and ultimately opened up his house for Ted to move in when he needed a place to live. Our family is grateful to Steve and relieved to know that we had told him as much many times.

Good memory - Twenty five years ago my wife and I went camping in the Shenandoah's and Ted & Steve were supposed to meet us. Our rendezvous campground was unexpectedly closed so we drove 40 miles away to another campground. 4 hours later in the middle of the night, Steve & Ted drove up and started setting up their tent next to ours - somehow they had found us, all before cell phones, texts, etc. - Amazing!

Steve remained optimistic until the end, just two weeks ago we talked about going golfing together once he started feeling better. I will regret not getting that chance to enjoy his company and his good nature.

God bless you Steve. Please rest in peace knowing you were a good man.
