“ Dear David,

I was so saddened to see your father's obituary in the newspaper. He was so young and I did not have a clue whether he had been sick when I had you in school.

I'm sure that this must be very difficult for you and your family. I just can't imagine how you all are coping, but somehow I know that you do get the strength from God and the people around you to somehow go on.

On an entirely different note, I am enjoying retirement although my husband John still works for Micron Technology. My grandchildren live here locally. I really enjoy having them around and I am very close to my daughter. In fact, tomorrow morning I go every Thursday at 8:00 to help my daughter with the French Club at Signal Hill Elementary School where my grandchildren attend. My daughter also was a French teacher at Stonewall High School so we have a common interest. Ha.

I hope that you might let me know sometime how and what your interests are now.

You were and are such a "bright" student - you could always "half listen" and still do well on your quizzes. You always amazed me!!

Please call me sometime to chat - 703 369 9447 - or e-mail or stop by - I live in the "geezer housing" condos in Sumner Lake right in the middle of Manassas.

Please know that I am thinking of your family.

Blessings, Mrs. Grady
