“ Susie was a concerned and dedicated professional who assisted me several times. She knew all the animals in our neighborhood and, when necessary, paid personal attention to them and their owners. Susie was a wonderful person who will be greatly missed by those of us who have pets in the city. May God's comfort and love surround you during this hard time.

“ My heart and prayers to all of you. I remember Susie and Carol trying to be like and with Katie ,Carrie and Ruth and running to me with all the gossip,with our big families there was something going on. If it wasn't a ball game in the summer or sled riding in the winter, The Caskey's had the yard for it! Where ever Susie went Demon followed. I'll miss her laugh most of all. ALL MY LOVE Lynn

“ Although no words of sympathy can ease the loss you bear. Still may you find some comfort in the thought that others care. Your family will remain in our thoughts and prayers.

“ To the Caskey family: I am so sorry to hear the news about Susie. We played softball together for years, and kept in touch even after I moved to the Richmond area. The news is very sad indeed. Condolences to the whole family, and especially to her sister Catie and her husband John, through whom I met Susie.
