“ Rick, Kimberly & Courtney,

When I think back to my childhood, a lot of my memories include your family. I want you to know how much I cherish these times...babysitting you girls, riding on the back of the motorcycle, and talking with Sue on the front porch bench.

You all are in my thoughts. The last time I saw Sue was at my wedding, and I'll cherish the memory of her dancing with me always. My love to you...
