In Loving Memory

Susan M. Hare

Sep. 1, 1983 – Nov. 18, 2025

Susan passed peacefully the morning of November 18th, 4:55am after a gradual decline of health in

the battle against cancer in the form of a uterine sarcoma. She was surrounded and supported by her

loving family during the last days of her life. She was born in Delano, California in 1983, but spent most of her life in Virginia.

She served her country as a veteran in the Army/National Guard. She graduated from McLane High

School in Fresno, California. She was a loving and devoted wife to Carrie Hare, the half that made

her whole, the light in the dark, and her strength in her weakest moments. She was a gentle and

loving mother to her two daughters Destin Hare and Laney Hare. She was always hungry for

knowledge and taught herself how to fix technology and equipment, create masterpieces of art in

various kinds, and fuel the machine that was her family so she could pass on her wisdom and

humility.

She touched the hearts and souls of not just her family, but her community with every selfless act of kindness and every small sacrifice. Her ingenuity and caring heart sparked admiration for all who knew her. When someone called for help, she answered without a second thought. Even in the darkest or toughest of moments when all seemed lost, she was the pillar that lifted her family and friends and supported them however she could.

She is survived by her loving and devoted wife Carrie Hare, her two daughters Destin Hare and Laney Hare, her mother Alicia Ortega, and her siblings Annet (Kim) Nguyen, and Aaron Turner.

A funeral service will be held to celebrate her life at Stonewall Memorial Gardens on November 23, 2025, at 12:00pm.

Rest in peace Momma, I will never forget the lesson's you've taught me, for you made me the woman I am today. We will carry on in your memory and share your legacy with the world with the same love you showed us for all of our lives.

“ Thank you for coming into my life. I'm forever grateful for every moment we shared. I'll miss tearing up the campground roads on our trikes, blasting 90s hip hop, and the moments when I'd get you laughing so hard your whole face lit up I'll carry your strength and your love with me always. Homies for life.

“ Oh gosh were to start. When they lived here I would go watch movies with them on the weekend. Well one Halloween she decided to put a Michael Myers mask on and hide behind the house. So when I pulled up she came out with it on and scared the crap out of me lol. Susan was everything in a best friend you could ask for. That is one memory I will forever remember lol. Susan you will forever be in my heart ❤️ and always on my mind. You definitely will be missed by us all sweetie. God definitely gained one sweet Angel 😇. I love you My Best Friend 💕!!

“ *My sister was such a loving and caring person. In almost every photo I look at of our childhood when I was too young to know anything she always seemed to be watching over me and protecting me. She was like that her entire life, always making sure I was safe and cared for even as adults. I'll never forget the pure love and kindness she always emitted and I'll never forget her bright smile. Rest in peace Susan, you will be severely missed until we reunite in Heaven.*
