

Susan Gunkel Kruchten

September 28, 1946 - January 4, 2025

Susan Gunkel Kruchten of Broad Run, Virginia, born on September 28, 1946, in South Bend, Indiana, reached the age of 78. She passed away peacefully with a smile, surrounded by family at 6:15pm on Saturday, January 4, 2025.

Susan was the beloved wife of Gary Jacob Kruchten, with whom she shared 55 wonderful years of marriage. She was a devoted mother to her daughter, Kathryn Grace Marshall, and her son, Gary Jacob Kruchten Jr. She was also a proud grandmother to six grandchildren and three great-grandchildren.

Susan was the cherished daughter of E. Jean Gunkel and the late Walter W. Gunkel. She is survived by her mother and brothers Ronald and Paul Gunkel.

Susan graduated from DePauw University in Indiana with a degree in nursing and dedicated her entire career to serving others as a registered nurse. Her strong Christian faith was the cornerstone of her life, and she made it her mission to advance the kingdom of heaven. She was actively involved in church ministries and the Gideons Auxiliary. Susan was a passionate pro-life advocate, dedicating her time to Life First, a Christian, pro-life organization, and participated in the Walk for Life.

Susan was a loving wife and mother. She was generous with her time and talents, embodying the fruits of the Spirit with love, joy, peace, patience,

kindness, goodness, faithfulness, gentleness, and self-control (Galatians 5:22-23).

Susan's legacy of faith, love, and service will continue to inspire all who knew her. She will be deeply missed by her family, friends, and community. In lieu of flowers for Susan G. “ Susan was a dear neighbor of ours. Growing up I often remember her warm smile, her hospitality, her welcome and her passion for the unborn. She loved Jesus and others in a way it was clear He was shining through her. She was also a faithful prayer warrior and was part of a breakthrough we experienced in Africa through her prayers.

Our heart and prayers go out to Gary and the dear family. We are praying for you. The last time we saw Susan, in December 2024 she said, "I told the oncologist it's a win-win situation. Either I am healed, or I go home to be with Jesus." You've finished your race, dear sister. Well done and see you soon in glory. ❤️ Ben and Michelle Price and family

*Gary and family,
We weren't with you often since we moved to Colorado but our times with you and Susan at the Straight's beach house were always enjoyable and memorable!
Susan had such a sweet spirit about her, definitely because of her love for the Lord.
We continue to pray for you all...love, Ray and Kathy*

“ Susan was God's Angel on Earth. She shared Jesus with everyone she met. The world needs more people like this amazing woman. She was a wonderful mother figure to me for the past 24 years. We enjoyed many trips to Kings Dominion and had fun riding roller coasters, canoeing on the Shenandoah River, camping and visiting many places. We shared many of conversations and prayers. She lived her life like the fruit of the spirits. I will miss you Susan more than any words could say. Thank you for stepping up to guide me, support me, and being there for me, then my husband and for our children who loved you so much. You are the best, the best nana to my kids. It brings me comfort to know you are face to face with the Savior. You lived a life of love , well done my beautiful friend. Trish Utz

Perfectly said, Trish. She was, indeed, one of a kind servant of Jesus.

I agree with Patricia Utz that Susan was God's angel on earth. There were two people on this earth that I always wanted to emulate. Susan was one of them. That smile!!! And it came from her spirit. She had the peace of Jesus and it spilled out of her. Any person that Susan touched was blessed. And I am one of them. Faith McMichael

The strength of Susan's faith always came through her humble spirit and one of the most soothing voices ever heard! So many babies will grow, perhaps never knowing her name---but the Book of Life remembers her work! Jesus cries with us even as heaven's angels celebrate with rejoicing at her homecoming! We love you, Susan and we'll see you soon enough! GREAT Sympathy for Gary and the whole family. Be comforted in His mercy and grace. We are praying and mourning with you. Love ya, Steve and Tracy and the Comer family

My beautiful best friend, Susan! Her friendship has been a treasure held close to my heart, and I am endlessly grateful to have had the privilege of knowing her and sharing life's events together. Susan had a love for Jesus which she shared continually with others. She was the epitome of hospitality, sharing meals, as well as their home with those in need and those who were dear to her. When chatting about what heaven would be like her quick response was, " I hope I will be in charge of crafting, AFTER I see Jesus". She always had a sweet but funny response to so many situations. There is so much to say about this remarkable woman, Susan. There just isn't room enough here to share everything. I will miss our long, facetime chats with Susan. I look so forward to seeing her again one day. My heartfelt condolences to Gary, Kate and Jake and their families. I love you all so very much. Thanks for sharing your wife, your mom and grandmother with me. She was a priceless gem unlike any other.
