Susan Denise Tomsko

January 19, 1960 – September 2, 2017

Susan passed away peacefully in her home surrounded by loved ones after a nearly 5 year courageous battle with colon cancer. Sue was born in Brackenridge Pa. Sue graduated from Clarion State College in 1982. She was a special education teacher with Prince William County schools since 1994, both at Marumscos Hills Elementary School and Gainesville Middle School, where she touched many lives, both young and old, with her true caring and compassion for those she taught and cared for. Those who knew her will always be blessed and honored to have had the opportunity to receive her company. Her lighthearted, contagious smile and distinct Pittsburgh accent left a lasting impression on friends and colleagues alike. Throughout the years, she taught Sunday school and was an assistant wrestling coach. Sue's true loves were cooking, music, Christmas, her family and family gatherings, and her Pittsburgh Steelers. Sue adored her grandchildren. She was most proud of getting to see her 3 young boys grow to become responsible, devoted, loving husbands and fathers. Sue's dedication to her family was steadfast and enduring. Susan is remembered by her husband as a true gift from God.

Loving mother, loving wife ☺

Susan is survived by her loving husband Victor, three sons Victor John (Elise),

John David (Katie), Matthew James (Lindsey), and grandchildren Cheyenne, Sophia, Lucas, Nathan, and Savannah. She is also survived by her mother Patricia Drane (Musin) and predeceased by her father Raymond Drane.

The family will receive friends from 2:00-3:00PM Saturday, September 9, 2017 at Pierce Funeral Home, 9609 Center Street, Manassas, Virginia where funeral services will be held at 3:00PM with Father Devan Arockiasamy officiating.

“ MaeMae, Thanksgiving was not the same without you, in more ways than just your absence. You were with me as I cooked; I felt your gentle reminder to get Johnny’s rolls and onions at the store. Your spirit is alive in Sophia and the Christmas memories you made for the boys are in practice with our family today. We miss you very much.

“ I am still in disbelief but I am so thankful that I was blessed to know you. It was truly a pleasure sharing a room with you for 4 years at Gainesville Middle School. I appreciate the encouraging words you have to me and the advise. You showed my baby girl such love when she would come into the room after school and be upset from the kids teasing her and you would give her encouragement. You and your Steelers and me and my Cowboys! I pray that your family will find comfort. I lost my sweet son AJ not long ago so please kiss him for me... RIP

“ Vic and Family - I was so sorry to hear of your loss. I am Susan's dad's cousin. Patty and Ray used to bring her to our house every Saturday night when she was little.
