“ We are shocked and saddened to hear of the sudden passing of Mrs. Taber. We wish to express our heartfelt sympathies to her family and friends. We so enjoyed Mrs. Tabers' visits and looked forward to chatting with her. Mrs. Taber had such a beautiful smile and a delightful hearty laugh. Her devotion to Sammy was heartwarming and touching. We hope as the days pass your hearts will be warmed with the wonderful memories of the life you shared and those memories will make you smile. We think of you and you sorrow. “ I have so many great memories of Suzanne going back to our childhood days in elementary school to so many fun times on and off the soccer field with the Roadrunners and then in HS with the Lee Lancers...like winning states in '85. These are memories that I will always treasure along with my special friendship with Suzanne. She had a heart of gold and her smile and laughter lit up the room. She will be missed by the so many lives she touched but she will remain forever in our hearts. Love and miss ya sweet Suzanne! May God comfort and bless her family and her beautiful daughter Cassidy with strength, hope and peace in the days ahead.

*Blessings and love,*

“ *Suzanne's sense of humor brought joy to all who had the privilege to know her. She cared about others and she made this world a better place. I will treasure many memories with Suzanne starting all the way back to Lynbrook Elementary school. We went to Safety Patrol camp during the summer of 5th grade. We had no AC, horrible bug bites, and we were forced to take group showers, but we laughed the whole time. We also played for many years on the '68 Roadrunners travel soccer team. Suzanne was a very talented goalie. We used to ride to tournaments in the back of Mr. C's 1970's copper-colored shag-carpeted van. We had no seats, no seat belts, and no air bags. I have a picture of us in the back of the van with round pretzels in our noses like bull rings. At our Miami tournament Suzanne and I saw a cute boy by the field. We developed a plan to get they guy's picture by having Suzanne walk behind him so I could act like I was taking her picture, but we would end up with his picture. It worked and I still have the picture of Suzanne walking behind the guy with a huge grin! Although my heart is broken, when I think of many times like that with Suzanne I smile. That is what she did...brings smiles to all. Heaven has surely gained an angel. My thoughts and prayers are with Suzanne's family and with her beautiful daughter Cassidy.*

*From my heart...*
