“ I am so shocked and sorry to hear of Suzi's passing. Working for Russ and Suzi at NVFS was one of the best jobs I ever had, and encouraged me to go forward and obtain my own Mortuary Degree.

I feel terrible that we have lost touch over the years, but all my love goes to Russ and Bae Lee.

What I miss, more than anything, is hearing "Are ya naked?" when answer calls from Suzi

“ Suzi was always someone I could go talk to and we could talk for hours and hours. She had a personality and a wardrobe like no one I have ever met before and she was absolutely beautiful. She was so unique and was her own person, and I loved that about her. Suzi helped me move into my first home and I will forever be grateful for that. I love you!!

“ one of my all time favorite quotes: "AND WHEN A GREAT SOUL DIES, AFTER A PERIOD PEACE BLOOMS, SLOWLY AND ALWAYS IRRREGULARLY. SPACES FILL WITH A KIND OF SOOTHING ELECTRIC VIBRATION. OUR SENSES RESTORED, NEVER TO BE THE SAME, WHISPER TO US, THEY EXISTED, THEY EXISTED. WE CAN BE, BE AND BE BETTER FOR THEY EXISTED.

“ Suzi was my first friend when I moved to St. Petersburg. I also experienced my first Drag Queen Bingo with her and Russel. I will forever play an extra card at Drag Queen Bingo in Suzi's honor.

“ *I had the privilege of working with Suzi while she was with the FPG Family. She was always a sweetheart of a person and loved a good laugh. I was and am saddened at the news of her passing. I pray for strength for all of her family and friends during this trying time. Rest well Suzi.*
