“ *Dear Jim, Jamie, and Sherry,*

*We just want you to know how sorry we are. There really are no
words to express the way we feel knowing that Sylvia is no longer
here with us. She was a very special person and I know you have
many beautiful memories of the times you shared together; but we
all still feel very sad now, and we will miss her loving ways. Just
know that we truly care, and will be thinking of you often in the days
ahead.*

God bless you, Carey and MaryAlice (Corder)

“ *I was out of town when I learned of Sylvia's death and unable to attend the funeral. She was my first neighbor upon moving to Melrose Gardens and my son Rob's first baby sitter. I have fond memories of her kind heart, vivacious personality and creative talents. I know she will be greatly missed by her family. So sorry for your loss.*

“ *Dear Jim and family,*

I was shocked and saddened to learn of the tragic death of Sylvia. She will be remembered as a loyal and dedicated staff member of the Prince William County Public School system. Both of you spent your entire careers in supporting and providing for the education of the youth of the county.

Sylvia and you were the type of young, energetic, and competent professionals the county most relied upon during a period of dynamic and continuous growth. I was fortunate to have both of you as co-workers. I shall cherish my memories of Sylvia with her welcoming smile, warm personality, and willingness to help all who needed assistance.

She will be greatly missed, but she will always live on in the fond memories we all have of her. My thoughts and prayers are with you and your family at this sad time.

With deepest sympathy,

Bill Helton
